**Castle A History Of The Buildings That Shaped Medieval Britain** \*FREE\* *castle a history of the buildings that shaped medieval britain* A castle is a type of fortified structure built during the Middle Ages by predominantly the nobility or royalty and by military orders. Scholars debate the scope of the word castle, but usually consider it to be the private fortified residence of a lord or noble. This is distinct from a palace, which is not fortified; from a fortress, which was not always a residence for royalty or nobility; and ...
