**Cat Show** \*FREE\* cat show What is a Cat Show? A cat show is composed of a number of separate, concurrently running, individual shows held in the various judging “rings” throughout a show hall. Each “ring” is presided over by a different judge, who presents his or her cats to the judge. The judge then awards points to the cats based on their appearance and behavior. The judge's scores are then added up to determine the winner of the show. The Calgary Cat Association mourns the sudden and totally unexpected passing of our long time member Suzanne Barry who has gone to join the many cats who have crossed the Rainbow Bridge. Suzanne has been a valued member since 2009 when she joined hoping to make a difference in any way she could to the lives of all cats.
