catalogue of the general and law library

Catalogue and locate as described above And why am I using footnotes in a library guide Because the Law Library is a complex information environment and just about every general rule gets frustrated by exceptions If you get frustrated too just ask At the Desk General Assembly United Nations Research GW Law Also included are commercial publications and other non UN sources held in the collection of the Hammarskjöld Library The coverage of UNBISnet is from 1979 onward however older documents are being added to the catalogue on a regular basis Links to PDF copies of the documents are available for many of the records included
